A few lovely comments about the school

Thank you to all the Year 6 team for supporting xxxx through her final year at Highfield and for giving her such a good foundation for High School

The most important outcome for us this year is that xxxx has loved going to school, gained confidence and improved her learning and social skills. We are very happy with the way learning and teaching takes place I reception and we can see the vast progress she has made in all subjects.

Thank you to all the Year 1 team for supporting and encouraging xxxx. Your commitment and dedication is sincerely appreciated.

The teaching has the perfect balance of fun and challenge to ensure every child reaches their potential. The children did the new challenging SATs in a calm and relaxed way thanks to the teachers' reassuring and warm manner. Just brilliant – thank you. So proud!

I am thrilled with the progress xxxx has made in Year 3. She has grown in confidence and really blossomed in so many ways. She talks so enthusiastically about school.

We are delighted with the progress our son has made this year. He's loved the topics covered. He's loved being challenged in maths and has really enjoyed the trips – particularly Robin hood's Bay. Xxx thoroughly enjoys coming to school and always tries his best in lessons and (usually) homework!

We are really happy with the progress xxxx has made this year and would like to pass on our thanks to all the staff at Highfield, who go above and beyond to give the children such great learning experiences.
