

Year 1

Object, material, wood, plastic, glass, metal, water, rock, properties, group, hard, soft, stretchy, stiff, shiny, dull, rough, smooth, bendy, not bendy, waterproof, not waterproof,

Year 2

See year 1 Compare, suitable, unsuitable, brick, cardboard, paper, shapes, solid, squashing, bending, twisting, stretching,

Year 3

Solids, liquids, gasses, state, change, heated, cooled, degrees Celsius, evaporation, condensation, water cycle, temperature, reversible, irreversible, melt, melting

Year 4

Rocks, sedimentary, igneous, metamorphic, appearance, fossils, soils, organic matter, crust, core, mantle, lava, particles, crystals, grains, sample, molten, weathering, erosion, eroded,

Year 5

Hardness, solubility, transparency, conductivity, electrical, thermal, magnetic, dissolve, liquid, solution, substance, mixtures, separate, separation, filtering, sieving, reversible, irreversible, burning, acid, bicarbonate of soda, melting, process, processes, rusting, reaction, chemical change

Year 6
