

April 3rd 2020

Good afternoon everybody (Good afternoon Mrs. Colley)

Hello Children,

We are having our Magic Celebration Assembly outside near the school hall and it's a little bit cold today but maybe the sun will come out when we all start singing. I wonder what wonderful things you have achieved this week? Sam Russell has his Level 1 award for Cello (big clap for Sam please). I am missing you all trotting down to my office to show me your super work and get one of my tremendous effort certificates to take home. So here is one for you all to share because I know everyone has done something to be proud of this week.

Gosh that was a squeeze.
I've never had 450
children in my office
before!

After the Easter holidays the teachers have been planning some super activities for you all to try on SEESAW. This week I have been having a peep at what you have all been doing. Lots of you have been writing, drawing, painting, gardening, making Easter cards, baking and decorating your eggs. Here are just some of the super decorated eggs this year.

I love them all but my favourite one this year is this NHS brave doctor/ nurse egg by Nora

Now boys and girls are you all ready to sing our favourite Easter song 1 2 3 ...THE CHOCOLATE SONG

https://www.youtube.com/watch?v=8bMJWs_Ta90

Well done that was beautiful singing. Now it's time to start the Easter holidays. Some of the teachers are having a rest and some of them are looking after our Key Worker children in school. I hope you all have fun at home with your families and I can't wait to see all your pictures and work on SEESAW after the holiday.

I will write to you all again when school opens on 20th April.

Lots of love from

Mrs. Colley
