Reception

Very well organised by the school this year even through the covid situation. as parents , we couldn't be any happier. Thank you all at Highfield Primary.

Great progress in a "different" first year at primary school. Reception teaching staff have all been brilliant, during school time and home schooling. I feel xxxx is ready for year1. Thank you all.

We are really pleased with our child's first year at Highfield. The school has been fantastic in very challenging times.

It has been lovely to see xxxx confidence and friendships develop during her time in reception. We have noticed her progress in all areas and whilst she finds some aspects trickier, we have been pleased to see the additional support given in class to help her in these areas. xxxx has really enjoyed reception. Thank you!

I must say my child has made very good progress in Reception. At the beginning of year he was able to recognise only few letters, but by end of year, he can now read phonics well, use blending of letters to build up words. He is liking his School and teachers very much. I am really thankful to Highfield for this. Thanks

Year 1

A huge thank you to all the teachers in year 1 you are fantastic and we are so grateful for the care and attention you have given xxxx this year and during lockdown.

He has thoroughly enjoyed his time in year 1 and has flourished, his reading and writing has improved so much since he started year 1. We are so proud of him.

Thank you all so much. We truly appreciate everything you have done for xxxx we know he will miss you!

What a super report! Thank you for doing the most incredible job under challenging circumstances, you have all been fantastic and xxxx has loved being back in school. We couldn't have gotten through Homeschooling-Gate without you and hope you know how valued and appreciated your patience and encouragement has been. I hope you get some rest over the summer break before the madness recommences in Sept!

The school has communicated very well with parents during the coronavirus pandemic. I feel the school has done all they could to keep children's learning going and I was pleased with the lessons my child took part in. I feel I can approach the school, the class teacher about any issue I have with my child. I feel my child has made good progress and is attaining well. The reading books sent home are appropriately challenging. I am happy that my child is receiving a broad and balanced curriculum and enjoys all that school life has to offer. I am overall very pleased with my child's progress, attainment and happiness in year 1. Thank you for all the very hard work the Highfields Team and Year 1 has put into this year.

Year 2

Xxxx's progress has been excellent with the support of all her year 2 teachers. Thank you all very much.

Year 2 - brilliant teaching, incredible support staff, open minded mangement and a wonderful positive environment for my children to be in. I am grateful for you all.

Year 2 - I believe Highfied and its teaching staff are an excellent support to not only my children but also to me. They are open minded, honest and have always been helpful when I've needed them the most.

Our child has made good progress over the school year even though it was a Covid interrupted year- which speaks volumes of efforts put in by school and students alike . There was good support provided for home learning during lockdown months. Our thanks to all the staff and head teacher especially.

My daughter's progress has not been negatively affected by the lockdowns. We have been more focused on her mental health and we have put that before any homeschooling. I am now even more convinced that that was the

right thing to do, and it is lovely to see that she is blossoming. Big shout out to the teachers for being so supportive with the children.

They've done an incredible job this year with what everything they've been faced with. Thank you

Year 3

We love Highfield! It has been shown at it's best during lockdown with the way the team have coped and kept up with the amazing work it does.

Our child has made good progress over the school year even though it was a Covid interrupted year- which. peaks volumes of efforts put in by school and students alike . there was good support provided for home learning during lockdown months. our thanks to all the staff and head teacher especially.

I would like to thank all the teachers who have made the impossible possible during lockdown... it's been a difficult time but with your endeavours we have managed to get through the hard times... massive thanks to all the school staff

We're very happy with the progress xxx has made this year, particularly given the challenges of remote learning. The school has risen to this challenge superbly. We've also been hugely impressed with xxx year 3 teacher. She is an excellent teacher who's kept xxx engaged, motivated and challenged throughout the year - thank you.

I just want to thank you all year 3 for doing such an amazing job this past year. it has not been easy but you have gone above and beyond and the progress both our girls have made is testament to that. I know xxx and xxx are both going to really miss their teachers from this year. Thank you

Year 4

Very happy that wellbeing comes first.

The school and teachers have coped very well this year and I'm very proud to say my child attends Highfield Primary.

We are absolutely delighted with xxx progress in school this year. She has loved year 4 and has adapted remarkably well to all the changes during lockdown. This is testament to the fabulous teaching staff at Highfield, she is so excited to be going into year 5 and I know she will continue to flourish, thank you.

Despite a disruptive year, xxx has still made good progress. Highfield has been extremely impressive in coping with all the difficulties of the last year. online learning was a huge success and was well organised with an appropriate and balanced amount of work for the children to manage. The teachers also never forget that it's not all about work, it's also about being happy children and have done their best to look after the well-being of the children and their families too. xxx has remained happy relaxed and engaged which is a huge testament to the teachers in these difficult times. Thank you all!

xxx has had another happy, content and successful school year at Highfield in spite of the challenges the pandemic has brought. Thank you to year 4 for forging an effective, caring relationship that supported xxx to feel secure and achieve his very best.

Year 5

I just want to say a huge thanks for everything that the school has done for xxx especially in these challenging times. We can't believe he only has a year left but we know he will be ready for the next step when the time comes due to all the efforts through the years. Year 5 staff have been exceptional.

xxx continues to make great progress in his academical year. xxx has enjoyed his time in year 5 and the continued support. His reading and writing as come on leaps and bounds. xxx particularly enjoyed science and astronomy subject. xxx has thrived at Highfield and will continue to do so in year 6. I would like to thank all the staff whom have been personally involved with xxx social and academic affairs.

Thank you for all of your remarkable efforts in these unprecedented times. I wouldn't feel as supported and encouraged better than in any other school! you are well deserved to be referred to as an outstanding school. I wish

to express my thanks to the headteacher, teachers, support staff and the office. We all feel very fortunate that our boy attends Highfield Primary!

Thank you for xxxx amazing report. We are so proud of how xxxx has engaged and progressed in what has been a tricky year. The teaching, in-class and remotely, has been first-class as always. xxxx lessons, support and guidance have kept xxxx interested, motivated and helped xxxx make fantastic progress. xxxx loves school, loves to learn and we couldn't be more proud.

Year 6

We'd like to express our thanks to all the year 6 staff that have supported xxxx in her learning this year. She is absolutely delighted to have achieved so much in her final year and is feeling full of confidence as she approaches the new challenge of high school. We couldn't ask for anything more!

xxxx report basically had me in tears! We are so proud of him, everything he has achieved and the young man he has become. We would like to thank you both for the large part you have had to play in this, in Year 6 and the way you have continually supported him, encouraged and motivated him through such a difficult and challenging year!

Happy with the everything. Xxxx has had the best experience throughout his primary life. We are eternally thankful to all the teachers, assistant teachers and his colleagues who have enriched and shaped him through the years. He has made lifelong associations and will forever cherish his time

Well done to all the staff at Highfield for getting Xxxx up to a very high standard even through these unprecedented times. I am proud of xxxx and Highfield primary school

Even though the last year has been far from normal, Highfield have risen to the occasion and minimised the impact of all covid related setbacks. Xxxx has done an excellent job of keeping xxxx engaged, both in class and online, which is no small achievement given the challenges of teaching both online and in person at the same time. I think Highfield has also done an excellent job and putting the children's mental health at the forefront of all decisions and I am so grateful. In what must be a very surreal time for children you've managed to keep school a safe space where xxxx has been relaxed and able to continue learning.
