Mission Statement

Highfield Primary school lays the foundations for life by offering a rich enjoyable and fulfilling experience for all its pupils. It is characterised by a broad and balanced, creatively delivered curriculum facilitated by high standards in literacy, numeracy and computing. We aim to prepare our children to be citizens of the future – promoting wellbeing through safe, healthy lifestyles and nurturing respect of self and others. Social, emotional, spiritual and cultural development are a priority, ensuring all children feel valued. We are proud of our inclusive ethos.

We have a firm commitment to enable all our children to succeed as well rounded individuals. This is underpinned by strong relationships with parents and carers and the community enhanced by experiences beyond our immediate environment.

We offer every child the chance to achieve their full potential in a well supported atmosphere which inspires a passion for learning and a firm foundation for life – a place where we want to be!
